## CONCERT BAND

This year the band placed "first" in district and second in the state contest. Prior to this year, Mr. Stahlberg, our band director, led the Concert Band to "firsts" at both the district and state levels.

The band plays five to seven programs a year including a holiday program and a program at Cleveland and Middleton Schools to show younger students what the band is like.

The band meets three days a week, starting at seven-thirty in the morning.
